1. WRITTEN MOTION, Councillors Alves, Gomes, Martins & Morad, requesting that the Chairman on the Committee on Public Safety & Neighborhoods convene a meeting as soon as possible to review the Mayor's unilateral decision to close Fire Station #9 and to discuss the deployment of all apparatus at all Stations in the City and seek more reasonable alternatives to cut costs rather than impose this public safety risk; and further, that the Fire Chief, Mayor Lang, Representation of the Firefighters Union and City Auditor be invited to said meeting, and even further requesting that Rule 27 of the City Council Rules of Order be waived so that the Chair could have the option of scheduling this important meeting during the first seven days of May, if necessary.

INVITEES: Mayor Lang; Fire Chief Paul Leger; Peter Schmidt, City Auditor; Lt. James Allen, President, New Bedford Firefighters, IAFF Local 841
