**WHAT IS NBTV95?**

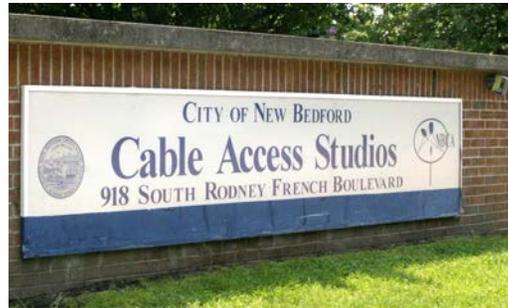

NBTV95 is a non-commercial television channel on New Bedford's Cable Television system with programs made primarily for New Bedford residents and organizations by New Bedford residents and organizations.

NBTV95 believes Public Access Television is a powerful vehicle for promoting greater awareness of the issues of New Bedford and the diversity of its people.

**WHERE IS NBTV95?**

Our studios and offices are located at 918 South Rodney French Blvd. in the City's South End.

Our state of the art facility consists of two fully functional studios, three edit suites, and portable equipment for check-out. Our equipment is available to New Bedford residents and organizations wanting to make their own t.v. shows.

**WHAT TYPES OF SHOWS CAN BE SEEN ON NBTV95?**

That's up to you. Because our shows are created by local residents, their interests, opinions, concerns, and issues are on display for all of New Bedford to see.

The only restrictions to what can be aired are those programs which violate the law, advertise a commercial product or service, or use unauthorized copyrighted material.

**HOW CAN I BEGIN PRODUCING MY OWN TV SHOW AT NBTV95?**

NBTV95 offers comprehensive training in basic video production for New Bedford residents and organizations interested in producing shows. Classes are offered on a first-come, first-served basis and cover aspects of studio production, portable production and videotape editing. Class size is limited and there is a waiting list for those interested in taking our classes.

Only those residents and organizations who complete training can utilize NBTV95 equipment and facilities. Call us for more information.

**DOES NBTV95 OFFER VOLUNTEER OPPORTUNITIES?**

Absolutely! The purpose of NBTV95 is to produce local cable television programs. And as we progress, we hope to do more as a station. We rely heavily on community volunteers to serve on production crews.

NBTV95 offers training designed specifically for volunteers. Call us to find out more.

Volunteering allows you to get involved if you don't have an idea for a show of your own. It's a great way to start!!

**HOW MUCH DOES ALL OF THIS COST?**

All our services are free to New Bedford residents and organizations as a public service to advance this community resource.

**DOES NBTV95 HAVE A COMMUNITY BULLETIN BOARD?**

When there are no shows airing, NBTV95 operates a Community Bulletin Board displaying announcements of events and happenings around New Bedford.

**WHERE CAN WE FIND OUT WHAT PROGRAMS AIR ON NBTV95?**

NBTV95 has copies of our program schedule available at our studios. We also display our schedule on our Community Bulletin Board and our website. Send us a self-addressed stamped envelope and we will send out our latest program schedule.
