7. WRITTEN MOTION, Councillors Coelho, Bousquet and Gonsalves, once again, requesting, that the Mayor's Office look into hiring a "Baby Advocate" for the City of New Bedford to address the needs of the growing baby population in the City, the advocate would assess the needs of both mothers and babies and bring in, if necessary, State agencies to provide proper services for the wellbeing and safety of the City's babies and possibly obtain grants or needed funding for the vital assistance needed for the welfare of these children.

8. WRITTEN MOTION, Council President Duarte, requesting, that due to a severe winter storm season and the many streets throughout our City that are in deplorable condition and are in desperate need of repair, that our State Legislative Delegation fight for all additional Chapter 90 funding available to address this issue that has worsened due to all the snow plowing done this year; and further, that a letter be sent to Governor Deval Patrick on behalf of the taxpayers of the City of New Bedford regarding this issue.

9. WRITTEN MOTION, Councillor Gomes, requesting, that the Special Committee on Employment Opportunities send a letter to Little Debbie/McKee Foods Corporation, issuing an invitation to the company to visit the City of New

Bedford for the purposes of touring the former Sunbeam Bread Company located at 229 Coffin Avenue, and also to meet with the Special Committee on Employment Opportunities to discuss the possibilities of the company expanding its operations to New Bedford to produce their line of products; and further, that an invitation also be sent to Matthew Morrissey, Director, Economic Development Council asking for his participation in this venture.

10. WRITTEN MOTION, Councillor Gomes, requesting, that the Traffic Commission along with Department of Public Infrastructure Commissioner Ronald Labelle, look into the possibility of making Walnut Street, from South Second Street to Acushnet Avenue a TWO-WAY street, east and west, at the present time the intersection, from South Second Street to Acushnet Avenue is a one-way street east; and further, that the corner of Acushnet Avenue and Walnut Street be squared off on the north east corner and the left lane exit onto Walnut Street be closed off and that the present Monument and light pole island be taken back north, making it possible to square off the corner and have an intersection that can handle two-way traffic, east and west with "NO RIGHT TURN" Signs being installed at the corner along with a "STOP SIGN" in a westerly direction at Acushnet Avenue and Walnut Street; and further, that "NO PARKING" Signs be installed on the southside of Walnut Street, from Acushnet Avenue to South Second Street, for the purposes of a clean left turn off of Acushnet Avenue with no vehicle obstruction, the reason for this request is the amount of traffic since the revamping of Route 18 and Walnut Street has taken place, many motorists continue west on Walnut Street making it an unsafe situation towards Acushnet Avenue, this should cure the problem along with ensuring a normal flow of traffic from Acushnet Avenue, to the Waterfront Area and leaving the Waterfront Area heading in a westerly direction on Walnut Street. (To be Referred to the Traffic Commission and DPI Commissioner Ronald Labelle.)

11. WRITTEN MOTION, Councillors Gomes and Oliveira, requesting, that the Committee on Public Safety and Neighborhoods along with the Mayor's Office and the Police Department look into providing Wendy's, located on Kings Highway with a Detail Officer, from 9:00 p.m. to 3:00 a.m., on Fridays and Saturdays, due to the numerous calls that come into the Police Department over the course of the weekend and the ongoing problem of groups hanging around, traffic build-up and noise complaints coming from that location, as Chairman and Vice-Chairman of the Committee on Public Safety and Neighborhoods, we believe that a Detail Officer would curb many of these problems existing at this location during the night time hours of operations.
