

Committee on Labor & Industry

October 28, 2015– 6:45 PM - **Agenda**
City Council Chamber, City Hall, Room 214

Chairman suggests taking “No Further Action” on the following matter:

1. Written Motion, Councillor Alves, asking that the New Bedford City Council request the Administration seek to encourage the New Bedford Industrial Park Foundation and CSX rail system to move more quickly and to encourage them to expedite their plans to develop a/the proposed rail transfer facility at our local Business Park, in light of the fact that many local companies are now forced to use Rail Transfer Facilities in Brockton and Middleboro; and further, that the Committee on Labor & Industry invite all parties concerned to a meeting to see what the City can do to expedite, the rail development to support our local business.(Ref'd 3/8/07, 6/18/07- Lack of Quorum, 6/24/04- Lack of Quorum, 8/8/07-table to next meeting)
