

# JACK-O-LANTERN SPECTACULAR @ ROGER WILLIAMS PARK

*Wed.  
Oct 13*

*\$25.00*

The zoo is aiming for this latest presentation of the event to be even more “spectacular,” with double the amount of pumpkins – 10,000 in all. The result promises to be a truly breathtaking sight, featuring thousands of traditional jack-o-lanterns, and hundreds of others intricately carved into works of art.

A team of over 30 professional pumpkin carvers will spend six weeks creating the magical display, which will be set on the Zoo’s wetlands trail amidst special lighting and musical themes.
