The Lion King tells the story of Simba, a young lion who is to succeed his father, Mufasa, as King of the Pride Lands; however, after Simba's uncle Scar murders Mufasa, Simba is manipulated into thinking he was responsible, and flees into exile. Upon maturation living with two wastrels, Simba is given some valuable perspective from his childhood friend, Nala, and his shaman, Rafiki, before returning to challenge Scar to end his tyranny and take his place in the Circle of Life as the rightful King. The Lion King is a story of Love and Redemption that nobody should Miss.
