Get out your "Boogie Shoes" as NSMT presents a New England Regional Premiere that will leave you with "Night Fever!" Based on the 1970's hit film, **SATURDAY NIGHT FEVER THE MUSICAL** tells the story of Tony Manero, a humble New York paint store clerk by day who transforms into a polyester-clad stallion king of disco by night. Every Saturday night, Tony slips into his flares, pulls on his ludicrously large-collared shirt and hits the streets and the clubs to strut his stuff. However, when the club nights come on and Tony and his friends emerge into the daylight, things are never as simple as they seem. **SATURDAY NIGHT FEVER THE MUSICAL** combines scintillating disco choreography with the best-selling soundtrack by The Bee Gees featuring classic tracks such as "Stayin' Alive," "Night Fever," "How Deep Is Your Love," "You Should Be Dancing," "Tragedy," "Disco Inferno," and "Jive Talkin'."
