FENWAY PARK TOUR

**Home of the 2013 Champion
Boston Red Sox**

Explore the world-famous Fenway Park stadium in Boston, and then meet one of the Red Sox's former players who will act as your tour guide! While the player varies on each tour, previous guides have included some of the all-time -baseball-greats, such as Bob 'The Steamer' Stanley, Rico Petrocelli, Rich Gedman, Walk with your personal Red Sox legend around Fenway Park to discover the sites where famous games have been won and lost. As well as behind-the-scenes sites such as the press box and broadcast booth, see iconic features of the stadium, like Pesky's Pole, Fenway Park's right-field foul pole. The pole is named after Johnny Pesky who played for Red Sox over a decade-long period.

See the towering left-field wall known as the Green Monster, and hear how it's become a popular target for baseball's right-handed hitters. The wall is one of the highest in Major League Baseball fields, making it legendary for preventing home runs and line drives.
