RE: Massachusetts Coastal Railroad
2014 Vegetation Control Program

Dear Commission Members:

You were recently provided with Massachusetts Coastal Railroad's 2014 Yearly Operational Plan prepared in accordance with the Massachusetts Rights-of-Way Management Regulations (333 CMR 11.00). The maps provided with this plan reflect those recently approved by the Commission in the Request for Determination filed by our company in 2011. These maps and updates thereof continue in effect unless modified and should be retained in your files. The identification on the maps of private drinking water supply wells remains an ongoing process. Please notify TEC Associates and the Department of Agricultural Resources of any omissions. Please also review your mailing address and the ten-digit police department emergency telephone number listed in the Plan and notify us of any revisions.

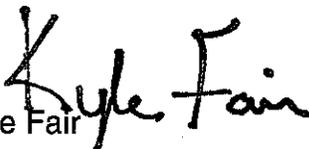

The herbicide application as proposed in the 2014 Yearly Operational Plan is scheduled as follows.

Rights-of-Way

14 June - 13 July 2014

The location of signs marking the limited and no-spray zones will be verified prior to the application. Please call TEC Associates with any questions about this Plan.

Very truly yours,
TEC ASSOCIATES
