Re: Case # 4206A and Case 4206B – McDonald's, 1080 Kings Highway

Dear Mr. Comerford and Members of the Zoning Board,

This letter is in regard to the McDonald's located at 1080 Kings Highway. The Conservation Commission closed the Hearing for the Notice of Intent on October 6, 2015. The applicant improved upon the existing conditions from a Conservation Commission perspective by increasing green space and improving storm water quality. The project was sent out for an engineering peer review with respect to stormwater management and the applicant incorporated all recommendations of the Commission's stormwater engineer. An Order of Conditions was issued on October 9th, 2015. Please contact me if you have any questions regarding this correspondence.

Sincerely,

A handwritten signature in cursive script that reads "Sarah E. Porter".
