**RE: NEW BEDFORD** Request for Extension  
Order of Conditions SE 049-0551  
Kenneth Koroski, Dana Street

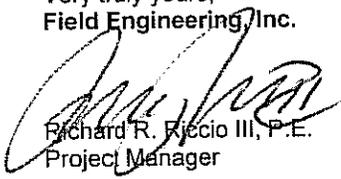

Dear Ms. Porter,

On behalf of our client, Kenneth Koroski, Field Engineering Co., Inc. hereby requests approval for a two (2) year Extension to the Order of Conditions (DEP File No. SE 049-0551). An Amended Order of Conditions for the project was issued in May of this year and is set to expire on December 9, 2015. The current plan of record is entitled "Site Plan, Kenneth Koroski, Dana Street, New Bedford, Massachusetts," prepared by Field Engineering Co. Inc., Sheet 1 of 1, dated 5/12/05, and revised through 4/7/15.

As an update, Mr. Koroski has finally gotten the necessary permits and Zoning relief for a proposed single family dwelling from the City of New Bedford Zoning Board of Appeals and anticipates beginning construction early 2016. A two year Extension to the Order of Conditions would allow Mr. Koroski to complete the construction of the single family dwelling and give sufficient time to establish vegetation on the disturbed areas of the site.

We would be happy to discuss this request with you at your earliest convenience and look forward to discussing this request with the Commission at their next scheduled meeting. If you need anything further, please do not hesitate to call me at (508) 758-2749.

Very truly yours,  
Field Engineering, Inc.
