Note: If the applicant has not held a license in the year prior to this application, he must file a duplicate of the application with the registrar.

(See Section 59).

CHAPTER 140 OF THE GENERAL LAWS, TER. ED., WITH AMENDMENTS THERETO (EXTRACT)

EXTRACT FROM GENERAL LAWS, CHAPTER 140-

SECTION 58.-Licenses granted under the following section shall be classified as follows:

Class I.-Any person who is a recognized agent of a motor vehicle manufacturer or a seller of motor vehicles made by such manufacturer whose authority to sell the same is created by a written contract with such manufacturer or with some person authorized in writing by such manufacturer to enter into such contract, and whose principal business is the sale of new motor vehicles, the purchase and sale of second hand motor vehicles being incidental or secondary thereto, may be granted an agent's or a seller's license; provided, that with respect to second hand motor vehicles purchased for the purpose of sale or exchange and not taken in trade for new motor vehicles, such dealer shall be subject to all provisions of this chapter and of rules and regulations made in accordance therewith applicable to holders of Class 2 licenses.

Class II.-Any person whose principal business is the buying and selling of second hand motor vehicles may be granted a used car dealer's license, and who displays said vehicles for resale in retail transactions, may be granted a used car dealer license and shall be subject to the following conditions:

(1) The person shall obtain a bond, or equivalent proof of financial responsibility as described in paragraph (5), and continue in effect a surety bond or other equivalent proof of financial responsibility satisfactory to the municipal licensing authority in the amount of \$25,000 executed by a surety company authorized by the insurance department to transact business in the commonwealth. The bond or its equivalent shall be for the benefit of a person who purchases a vehicle from a Class 2 licensee, and who suffers loss on account of:-

- (i) the dealer's default or nonpayment of valid bank drafts, including checks drawn by the dealer for the purchase of motor vehicles;
- (ii) the dealer's failure to deliver, in conjunction with the sale of a motor vehicle, a valid motor vehicle title certificate free and clear of any prior owner's interests and all liens except a lien created by or expressly assumed in writing by the buyer of the vehicle;
- (iii) the fact that the motor vehicle purchased from the dealer was a stolen vehicle;
- (iv) the dealer's failure to disclose the vehicle's actual mileage at the time of sale;
- (v) the dealer's unfair and deceptive acts or practices, misrepresentations, failure to disclose material facts or failure to honor a warranty claim or arbitration order in a retail transaction; or
- (vi) the dealer's failure to pay off a lien on a vehicle traded in as part of a transaction to purchase a vehicle when the dealer had assumed the obligation to pay off the lien.

(2) Recovery against the bond or its equivalent may be made by any person who obtains a final judgment in a court of competent jurisdiction against the dealer for an act or omission on which the bond is conditioned if the act or omission occurred during the term of the bond. Every bond shall also provide that no suit may be maintained to enforce any liability on the bond unless brought within 1 year after the event giving rise to the cause of action.

(3) The bond or its equivalent shall cover only those acts and omissions described in clauses (i) to (vi), inclusive, of paragraph (1). The surety on a bond shall not be liable for total claims in excess of the bond amount, regardless of the number of claims made against the bond or the number of years the bond remained in force.

(4) A separate bond shall be required for each different name under which the dealer conducts his business and for each city or town in which the dealer has a place of business.

(5) In lieu of the bond required by this section, the municipal licensing authority may allow the dealer to deposit collateral in the form of a certificate of deposit or irrevocable letter of credit, as authorized by the banking laws of the commonwealth, which has a face value equal to the amount of the bond otherwise required. The collateral may be deposited with or executed through any authorized state depository designated by the commissioner. Interest on the certificate of deposit shall be payable to the dealer who has deposited it as collateral, or to a person as the dealer or the certificate may direct.

(6) A surety shall provide to the municipal licensing authority notice of cancellation of the bond within 30 days of the cancellation.

(7) Upon receipt of notification from a surety that a bond has been cancelled, the municipal licensing authority shall notify the licensee that he has 10 days to comply with the bonding requirement. If the licensee doesn't comply within the 10-day period, the municipal licensing authority shall revoke the Class 2 license and shall notify the registrar who shall suspend or revoke any dealer plate issued to the licensee pursuant to section 5 of Chapter 90.

(8) A municipal licensing authority shall not issue or renew a Class 2 license unless it is satisfied that a bond or equivalent proof of financial responsibility meeting the requirements of this section is in effect during the term under which the license shall be issued or renewed, and that the licensee maintains or demonstrates access to repair facilities sufficient to enable him to satisfy the warranty repair obligations imposed by section 7N1/4 of Chapter 90. A used car dealer shall remain liable for all warranty repairs made and other obligations imposed by said section 7N1/4 of said Chapter 90.

(d) Class 3. A person whose principal business is the buying of second hand motor vehicles for the purpose of remodeling, taking apart, or rebuilding and selling the same, or the buying or selling of parts of second hand motor vehicles or tires, or the assembling of second hand motor vehicle parts may be granted a motor vehicle junk license.

(e) The registrar of motor vehicles, after consulting the office of consumer affairs and business regulation, shall adopt rules and regulations defining sufficient repair facilities for the purposes of subsection (b) and paragraph (8) of subsection (c).

Class III.-Any person whose principal business is the buying of second hand motor vehicles for the purpose of remodeling, taking apart, or rebuilding the same, or the buying or selling of parts of second hand motor vehicles or tires, or the assembling of second hand motor vehicles parts may be granted a motor vehicle junk license.

SECTION 59.—The Police Commissioner in Boston and the licensing authorities in other cities and towns may grant licenses under this section which shall expire on January first following the date of issue unless sooner revoked. The fees for the licenses shall be fixed by the licensing board or officer, but in no case shall exceed Three Hundred Dollars. Application for license shall be made in such form as shall be approved by the registrar of motor vehicles, in sections fifty-nine to sixty-six, inclusive, called the registrar, and if the applicant has not held a license in the year prior to such application, such application shall be made in duplicate, which duplicate shall be filed with the registrar. No such license shall be granted unless the licensing board or officer is satisfied from an investigation of the facts stated in the application and any other information which they may require of the applicant, that he is a proper person to engage in the business specified in section fifty-eight in the classifications for which he has applied, that said business is or will be his principal business; and that he has available a place of business suitable for the purpose. The license shall specify all the premises to be occupied by the licensee for the purpose of carrying on the licensed business. Permits for a change of situation of the licensed premises or for additions there to may be granted at any time by the licensing board or officer in writing, a copy of which shall be attached to the license. Cities and towns by ordinance or by law may regulate the situation of the premises of licenses within class 3 as defined in section fifty-eight; and all licenses and permits issued hereunder to persons within said class 3 shall be subject to the provisions of ordinances and by-laws which are hereby authorized to be made. No license or permit shall be issued hereunder to a person within said class 3 until after a hearing, of which seven days' notice shall have been given to the owners of property abutting on the premises where such license or permit is proposed to be exercised. All licenses granted under this section shall be revoked by the licensing board or officer if it appears, after hearing, that the licensee is not complying with sections fifty-seven to sixty-nine, inclusive, or the rules and regulations made thereunder; and no new license shall be granted to such person thereafter, nor to any person for use on the same premises, without the approval of the registrar. The hearing may be dispensed with if the registrar notifies the licensing board or officer that a licensee is not so complying. Any person aggrieved by any action of the licensing board or officer refusing to grant, or revoking a license for any cause may within ten days after such action, appeal therefrom to any justice of the superior court in the county in which the premises sought to be occupied under the license or permit applied for are located. The justice shall, after such notice to the parties as he deems reasonable, give a summary hearing on such appeal, and shall have jurisdiction in equity to review all questions of fact or law and may affirm or reverse the decision of the board or officer and may make any appropriate decree. The decision of the justice shall be final.
