3. Hearing: Young Cape Verdean Athletic Association, Inc.
Mr. Donald Soares, Proposed New President
418 South Front Street

Your presence is requested at a hearing to determine whether you have violated certain provisions of Alcoholic Beverages Control Commission (ABCC) Regulations and Licensing Board Rules and Regulations. Based on their findings, the Licensing Board may take action to suspend your license until this matter is resolved.

ABCC Regulation 204 CMR 2.05: (2)-

States no licensee shall permit any illegality to occur on the licensed premises. The licensee is responsible, whether present or not, for ensuring that no disorder, disturbance, or illegality takes place in or on a licensed premises.

Licensing Board Regulation No. 6,

Each Corporate Licensee shall appoint a Manager who shall have full authority and control of the premises and who shall be satisfactory to the Board; immediate notice of the appointment must be made to the Board in writing.

This hearing will focus on the control and operations of the licensed premises, as well as your failure to secure a Certificate of Good Standing from the Department of Unemployment Assistance (DUA) in a timely manner, which is required to complete your application for a Change of Officers, Directors, and Manager, which was **returned once again** by the ABCC on 10/08/15. The Board is deeply concerned that you have been operating without an approved manager since December of 2014, as well as your failure to resolve your outstanding issues with the DUA in a timely manner.

You have until November 12, 2015 to submit the requested documents.

As a result of your failure to comply in a timely manner, the Board will entertain testimony as to the actions of the Young Cape Verdean Athletic Association. Short of full compliance, the Board must take action and **as**

such, you are hereby ordered to bring with you your 2015 Liquor License. Depending on the Board's findings, you may be required to surrender your license until this matter is resolved.

Decision of Board of 11/16/15 Meeting

Based on the club's failure to secure a Certificate of Good Standing from the Department of Unemployment Assistance (DUA) and the Department of Revenue (DOR), as well as the recent resignations of the proposed treasurer and manager; the Board voted unanimously to suspend your license effective immediately until such time as we are provided with a certificate of good standing from the DUA and DOR and that a revised application is submitted and approved by this Board and the ABCC.

You will have until December 14, 2015 to submit the required documents; short of full compliance, the Board may take action to revoke your license.

The Board is deeply concerned that you have been operating without an approved manager since December of 2014, as well as your inability to resolve your outstanding issues with the DUA and DOR in a timely manner. You have the right to appeal this decision to the Alcoholic Beverages Control Commission under the provisions of Ch. 138 of M.G. L. within five (5) days of receipt of this notice with a copy submitted to this office.

---NOTICE TO APPEAR---

You are also hereby notified that your presence is also required at a meeting to be held in **City Hall, Room 314 on Monday, December 21, 2015 at 7:00 p.m.** and **you are hereby instructed to bring with you your 2015 Liquor License.**

Minutes of 12/21/15 Meeting

Present: Donald Soares, President along with Dulceiann Mello, 'current' Manager of Record, John L. Maciel, Proposed New Manager, and Mary Barrett-Maciel, Treasurer

Mr. Nanopoulos informed the Board that he did receive an application from Atty. Medeiros' office on behalf of the YA Club, but there were documents missing and there was no DOR Certificate included in the packet; therefore, it's not on the agenda as requested by the Board at its last meeting.

Mr. Nanopoulos reminded the Board of the current status of the license by stating that club signed the license renewal but that it was suspended by the Board at its last meeting based on the club's failure to secure a Certificate of Good Standing from the Department of Unemployment Assistance (DUA) and the Department of Revenue (DOR), as well as the recent resignations of the proposed treasurer and manager; until such time as the Board is provided with a certificate of good standing from the DUA and DOR and a revised application is submitted and approved by this Board and the ABCC; and that the club was given until December 14th to submit the required documents; with notice, that short of full compliance, the Board may take action to revoke their license.

Mr. Nanopoulos completed his remarks by stating, based on what was submitted, the club is not in compliance with the Board's November 16th decision.

Chairman Beauregard then recognized Ms. Barrett to address the Board as to where they were at the moment with regard to resolving their outstanding issues, in order to get an approved and proper manager in place, which has been lacking for the past year.

Ms. Barrett stated, we've been in contact with Dan at the DUA and Richard Senecal with the DOR ... when we spoke with Mr. Senecal today ... he stated he was going to give us a new payment plan ... from \$2,100 a month ... he was going to drop it to \$1,000.00 a month ... but he said he wouldn't send it to us ... unless we got the license back ... and with the DUA ... they've adjusted the payments to \$195.86 ... it was \$288.00 before.

Chairman Beauregard responded to Ms. Barrett's comments by asking, so with just those two expenses ... which would be \$1,200.00 a month roughly ... which based on what you stated to the Board at the last meeting ... you have 18 members ... so before you even open the doors ... you have a monthly expense of \$1,200.00 ... so I'm asking you based on what you stated to this Board ... with 18 members ... before you pay any rent to Mr. DeMello ... before you purchase any alcohol ... before you do anything ... you have a \$1,200.00 expense ... you still need to heat the building ... you need electricity ... you have to pay your help ... how do you do that with 18 members?

Ms. Barrett responded, I figured ... once we opened ... we could start making the money back ... but like I said before ... me and my husband have already been donating ... so the thing is ... so once we get back into the club ... we plan on doing different functions ... and keeping things moving.

Ms. Barrett then stated ... hopefully ... between my husband, who is the proposed new manager ... and myself,

as the incoming treasurer, we can keep things moving in a positive manner ... we're doing an audit to try to figure things out ... it's a little difficult ... I'll admit that ... but the club does make money ... it's not like it's not making money ... we've had people that weren't doing what they were supposed to be doing.

Chairman Beauregard responded by asking ... again ... how do you make money with 18 members? ... that's not my number ... that's the number you gave to the Board.

Ms. Barrett responded, we do functions ... we do rentals and stuff like that ... so we gain extra money here and there.

Chairman Beauregard responded, so, part of the deal with us is that all of this had to be resolved by December 14th ... we've been dealing with this for a year now ... and the deal was at the last meeting ... that if the application wasn't submitted and the taxes weren't under agreement ... that we were not going to renew (revoke) the license ... and sitting here now ... neither has been completed ... we haven't had a manager in place for well over a year.

In response to Ms. Barrett's insistence that they have agreements in place with the DOR and the DUA, Chairman Beauregard responded, in the past we've been told the same thing ... if we do this ... this happens ... then we step up to the plate and we do our end of the deal ... and whoever ... and I'm not saying you ... or the previous regime ... but we've had multiple previous administrations that have come and sat in front of us ... and nobody has kept their end of the bargain ... except us.

When asked by Commissioner Almeida as to how much more time they would need, Ms. Barrett responded, I don't think it would be that much longer.

When asked by Commissioner Almeida if the club had any money in their kitty now, Ms. Barrett stated that they did not but they still have liquor, that's still there.

When asked by Commissioner Almeida if they had the \$2,300.00 to pay the 2016 liquor license fee, Ms. Barrett stated that her and her husband would pay the fee on Wednesday.

When asked by Commissioner Craig as to where the money would come from, since the club had no funds, Ms. Barrett stated, it would come from my personal funds.

Commissioner Craig responded, are you sure you want to put yourself in this deep ... it looks to me that you're fighting a never ending battle ... it seems to me that this situation just seems keeps going on and on and on ... it's obvious to us that your intentions are good ... I think you should really think twice about this ... I think you're digging yourself a hole for which you'll be sorry ... whatever you put into it ... what you're willing to put up now ... how are you going to get that back ... honestly?

Commissioner Almeida added that's \$4,500.00 ... and that's with nothing else ... that's just the first tax payments and the liquor license fee.

Ms. Barrett responded, I guess we would have to take a loss!

Commissioner Craig responded, I think we would be doing you a favor to deny this myself.

Chairman Beauregard then called for a motion.

Commissioner Almeida stated that it was his feeling that because the club failed to meet the deadline, that the license should remain suspended.

Ms. Barrett responded, the thing is ... I know they ran it like it was a bar but it's not a bar ... not to me ... to me ... it means much more than that ... I would really like to get the club back to its roots ... to what it was supposed to be ... an athletic club ... helping out the community ... these are things that I want to do ... that's why I'm back into it ... and trying to fight for it.

Chairman Beauregard responded, quite frankly Ms. Barrett ... a lot of these ... and I understand where it came from ... like the Panther's Club ... but a lot of them have just run their course ... the younger generation isn't as into it as the older generation ... you don't have them hanging around ... wives aren't as tolerant as they were years ago ... there's a big difference between my mother and my wife ... sometimes you just have to say that the era is over ... you put up a good fight ... and I think this might be it ... let's say you have 30 members ... I don't know how many you have ... let's say you have 60 ... you still don't have enough to sustain the organization ... you're going to say ... let's put on a drive ... the Vets is struggling ... the Band Club is struggling ... everybody is going after the same people to keep their places alive ... to re-iterate Commissioner Craig's comments ... we may be doing you a favor ... I think he worded it very well ... you'd be spending good money after bad for a building you don't own ... obviously there's some hard feelings between the landlord and the organization ... otherwise he would not have bailed out after the last meeting ... the more we go ... we had the accountant sitting

here at one meeting ... and he was working with him and he was going to turn it around ... he gave us the same rah ... rah speech ... and we're still back here again saying ... give us the license. Chairman Beaugard then asked Commissioner Almeida if his motion was to revoke (not renew) or to continue the suspension of the license, to which Commissioner Almeida responded, it's to continue the suspension depending on how much time they would need.

Commissioner Almeida once again noted that the club would have to come up with the \$2,300.00 for the renewal fee, as well as another \$1200.00 for the first two tax payments in order to get their license back.

Mr. Nanopoulos made it clear to Ms. Barrett, that if the Board did approve the renewal and voted to keep the suspension in place until January to give the club additional time to complete their application and resolve their issues with the DUA and DOR; and if for some reason that doesn't get done, the Board could take action at that time to revoke the license, and she would be out of the \$2,300.00. Mr. Nanopoulos made it clear that the only thing the ABCC would accept is the actual Certificate of Good Standing from the DOR.

Ms. Barrett stated she understood and that she would take that chance.

Commissioner Craig reaffirmed with Ms. Barrett that she understood what was explained to her, to which Ms. Barrett responded, I do ... I do ... I'll take that chance.

With that, Commissioner Craig seconded the motion which was put to a vote by Chairman Beaugard.

VOTED: On a motion by Commissioner Almeida, on a second by Commissioner Craig, **the Board voted 2-1 with Chairman Beaugard voting against, to continue the suspension and table the matter until the January Meeting.**

Following the vote, Mr. Nanopoulos instructed Ms. Barrett as to what the club needed to do to complete the process by the January meeting, and warning her once again that the Board could revoke the license at that January meeting, if the club does not submit the documents that are still outstanding.

The following written decision was issued to the licensee on 12/23/15:

Per your recent hearing to determine whether you have violated certain regulations of the Alcoholic Beverages Control Commission, specifically M.G.L. Ch. 138, sec. 64-and M.G.L. Ch. 138, sec. 12 (failing to complete the process of updating your officers, directors, and manager) this Board took the following action:

Based on the organization's failure to secure a certificate of good standing from the Department of Unemployment Assistance (DUA) and the Department of Revenue (DOR), as well as failing to submit a completed application by the imposed deadline; the Board voted to continue with the suspension of your license until January 11, 2016 allowing you additional time to provide this office with the DUA/DOR certificates and a completed application. **This continuance is contingent upon you paying the 2016 license renewal fee.**

---NOTICE TO APPEAR---

You are also hereby notified that your presence (Donald Soares, President) and that of Dulceiann Mello, Manager and Mary Barrett-Maciel, Treasurer are requested at a hearing to be held in **City Hall, Room 314 on Monday, January 25, 2016 at 7:00 p.m.** to review your suspension.

Closed/Fire 01/26/15 – Ongoing Renovations

Your presence is respectfully requested at a hearing to determine the status of your annual liquor license for the year 2016.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating the ‘current’ status of your renovations, which should include a proposed opening date.

Minutes of 09/21/15 Meeting:

The Board’s decision to renew your 2016 application and table the matter to January was made in order to give you ample time to resolve all outstanding issues regarding the changes you’ve made to your establishment, as a result of a fire in January of this year.

As stated at the meeting, it’s imperative that you resolve all outstanding issues in a timely manner, in order for you to submit an application to alter the premises based on the renovations you have made.

Based on the information you provided to this office, an application must be submitted that addresses the following:

1. Change of Corporate Name
2. Change of License Type (From a Sec. 12 General on Premise to a Sec. 12 Restaurant)
3. Change (Altering) of Premises
4. Change of Officer (Treasurer)
5. Change of d/b/a?

As well as any other changes you wish to make.

I would strongly suggest that you prepare an application addressing any changes you wish to make, and submit it to me as soon as possible in order for me to review it to a point where we are just awaiting the final approved plans; once I receive the final approved plans, I will prepare the description, which will be the final piece of the application.

Please Be Advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your General on Premise All Alcoholic Beverages License.

The following update was submitted by Atty Edward J. Sylvia on behalf of the Euphoria Lounge on 12/21/15:

1. “Sitec” was retained to complete a detailed survey of the property to exactly determine where the property boundary lines are located.
2. As a result of the survey, it was determined that the property has 37 inches beyond the west boundary of the building (slightly more property than previously determined).
3. “Sitec”, after an engineering determination, is planning to remove enough of the rear of the building (west end) to properly contract a code complaint exit.
4. I have been advised that “Sitec” and its engineers are designing the building and handicap access to be completely code compliant.
5. “Sitec” is designing the removal of the existing sidewalk and installing a new, fenced, code compliant, handicap ramp to empty onto the north boundary of the building, rather than the south side of the building into the neighboring parking lot.
