4. Hearing: Jalice Café, Inc.

Mr. Derick Pina Goncalves, Owner/Manager
1468 Acushnet Avenue

Your presence is required at a hearing to determine whether you have violated certain provisions of City of New Bedford Ordinance Sec.10 – 45.

The City of New Bedford Treasurer/Collector of Taxes has requested that the Licensing Board hold a hearing regarding

your Common Victualler (Restaurant) All Alcoholic Beverages Liquor license due to non-payment of personal property taxes. Your current **tax title balance of \$21,370.85** has not been addressed since your last payment on November 30, 2015. Additionally, you have an outstanding **tax bill in the amount of \$9,548.07 for FY16 & FY17**, for which a payment has not been made since December 29, 2015; there is also an **outstanding amount of \$1,325.08 on your water bill**. Based on these findings, the Licensing Board could possibly take action to modify, suspend, revoke, or cancel your license.

Failure to appear at this hearing will result in the automatic suspension of your license until this matter is resolved or an immediate revocation of your license as so determined by this Board.

I would strongly suggest that you contact Blair Bailey, Tax Title Attorney for the City of New Bedford, to meet with him to resolve this issue of delinquent taxes.

Tabled on 07/25/16

5. Hearing: Portugal Verde Soccer Academy, Inc.

Mr. Isaias M. Furtado, Manager

424 Nash Road

Approved on 12/09/15 – Never Opened

Prior Renewal Hearings: (1)

Your presence is respectfully requested at a hearing to determine the status of your annual liquor license for the year 2016. The hearing is also being held at the request of the members of this Board to discuss your plans for your liquor license for the year 2016 prior to this Board considering approval of your 2017 renewal application.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

Please Be Advised that failure to appear before this Board as requested will result in “Automatic Revocation” of your General on Premise Wine & Malt Only Beverages License.

07/25/16 Decision

As a result of the open hearing held on July 25, 2016 to determine the status of your annual liquor license for the year 2016, **this Board voted unanimously to table the matter until this Board’s September meeting.**

The Board’s decision was made to allow you two more months to resolve all your outstanding issues in order for you to be issued your Certificate of Inspection and your 304 Certificate, which are required by law in order for you to receive your liquor license. It is imperative that you contact both the Building Department and Fire Prevention to see exactly what you need to do to be in full compliance.

Failure to comply with this Board’s Decision may result in a hearing on the revocation of your license.

6. Hearing: Nabih Moujabber d/b/a Lebanese Kitchen

Mr. Nabih Moujabber, Licensee

1487-1489 Purchase Street

Closed 07/12/14 – Renovations (Fire)

Prior Renewal Hearings: (7)

Your presence is respectfully requested at a hearing to determine the status of your annual liquor license for the year 2016. The hearing is also being held at the request of the members of this Board to discuss your plans for your liquor license for the year 2016 prior to this Board considering approval of your 2017 renewal application.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business

on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called "pocket License" is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

Decision of 07/25/16 Meeting

As a result of the open hearing held on July 25, 2016 to determine the status of your annual liquor license for the year 2016, this Board, based on the information you provided, **voted unanimously to table the matter until this Board's September 26, 2016 meeting, at which you must appear.**

Based on the current condition of the building on Purchase Street as well as the still unresolved issues that are pending to complete the renovations at that location, it was the opinion of the Board that the building appears to be a long way from being ready to open; therefore, it was the Board's suggestion that you make every attempt possible to sell your beer and wine license; and if in fact, in six months or a year from now you get that building up and running, there will always be licenses out there available for you to pick up.

Therefore you must take action with your license by either:

- Opening and operating at the existing location as stated on your license;
- Submitted paperwork for a change of location and a date certain for the opening at the new location;
- To have submitted an application for the sale and transfer of the license to a new owner.

As discussed, your failure to comply will result in the Board having to revoke your license for non-use as allowed under Ch. 138, sec. 77. *(The licensing authorities may, after hearing or reasonable opportunity there-for, cancel any license issued under the chapter (138) if the licensee ceases to conduct the licensed business, that is, any license holder who closes the business or stops doing business.)*

Your license has been inactive since July 12, 2014 and you have been afforded ample opportunity to take action. We strongly advise that you make every attempt possible to activate this license to avoid our having to take revocation action.

Please Be Advised that failure to appear before this Board as requested will result in "Automatic Revocation" of your Common Victualler Wine & Malt Only Beverages License.
