10. Hearing: Nabih Moujabber d/b/a Lebanese Kitchen

Mr. Nabih Moujabber, Licensee

1487-1489 Purchase Street

Closed 07/12/14 – Renovations (Fire)

Prior Renewal Hearings: (7)

Your presence is respectfully requested at a hearing to determine the status of your annual liquor license for the year 2016. The hearing is also being held at the request of the members of this Board to discuss your plans for your liquor license for the year 2016 prior to this Board considering approval of your 2017 renewal application.

If warranted, the Board may cancel the license of any license holder who “ceases to conduct the licensed business” that is, *any license holder who closes the business or stops doing business*. Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called “pocket License” is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

Decision of 07/25/16 Meeting

As a result of the open hearing held on July 25, 2016 to determine the status of your annual liquor license for the year 2016, this Board, based on the information you provided, **voted unanimously to table the matter until this Board's September 26, 2016 meeting, at which you must appear.**

Based on the current condition of the building on Purchase Street as well as the still unresolved issues that are pending to complete the renovations at that location, it was the opinion of the Board that the building appears to be a long way from being ready to open; therefore, it was the Board's suggestion that you make every attempt possible to sell your beer and wine license; and if in fact, in six months or a year from now you get that building up and running, there will always be licenses out there available for you to pick up.

Therefore you must take action with your license by either:

- Opening and operating at the existing location as stated on your license;
- Submitted paperwork for a change of location and a date certain for the opening at the new location;
- To have submitted an application for the sale and transfer of the license to a new owner.

As discussed, your failure to comply will result in the Board having to revoke your license for non-use as allowed under Ch. 138, sec. 77.

(The licensing authorities may, after hearing or reasonable opportunity there-fore, cancel any license issued under the chapter (138) if the licensee ceases to conduct the licensed business, that is, any license holder who closes the business or stops doing business.)

Your license has been inactive since July 12, 2014 and you have been afforded ample opportunity to take action. We strongly advise that you make every attempt possible to activate this license to avoid our having to take revocation action.

09/26/16 Meeting Minutes

Licensee did not appear as requested.

Please Be Advised that failure to appear before this Board as requested will result in the "Automatic Revocation" of your Common Victualler Wine & Malt Only Beverages License.

11. Hearing: Vila Franca Do Campo, Inc. d/b/a

Prior Renewal Hearings: (2)

Your presence is respectfully requested at a hearing to determine the status of your annual liquor license for the year 2016. The hearing is also being held at the request of the members of this Board to discuss your plans for your liquor license for the year 2016 prior to this Board considering approval of your 2017 renewal application.

If warranted, the Board may cancel the license of any license holder who "ceases to conduct the licensed business" that is, *any license holder who closes the business or stops doing business.*

Licensees should be conducting the licensed business on all days authorized by the license. Any licensee that does not comply with its obligation to conduct the licensed business and holds a so-called "pocket License" is subject to possible action by the Board.

Notice is given in accordance with Massachusetts General Laws Chapter 138, section 77, which states that the licensing authorities may, after hearing or reasonable opportunity therefore, cancel any license issued under this chapter if the licensee ceases to conduct the licensed business.

You **must submit** to the Board that evening, a letter stating your intentions regarding the license that has been issued to you detailing either an opening date, plans to transfer, or change of location, as it applies to your situation.

08/29/16 Decision

Following the public hearing that was held on 08/29/16 to determine the status of your annual liquor license for the year 2016 and to discuss your plans for your liquor license for the year 2016 prior to this Board considering approval of your 2017 renewal application, the Board voted unanimously to table any action until its October meeting.

The Board's decision was based on the information that you provided to the Board, in which you stated that you had someone interested in your license and that you needed additional time to finalize a P & S Agreement; the Board took this action to allow you a sufficient amount of time (60 Days) to secure a P & S, and a sufficient amount of time for the buyer to **eFile** the appropriate transfer application.

Failure to take action on your license prior to this Board's October 24th meeting may result in the non-renewal of your license.

Please Be Advised that failure to appear before this Board as requested may result in "Automatic Revocation" of your Common Victualler All Alcoholic Beverages License.
