LATE FILE

City Council President Brian K. Gomes and
Honorable Members of the City Council
133 William Street
New Bedford, MA 02740

Dear Council President Gomes and Honorable Members of the City Council:

At the request of the Harbor Development Commission (attached) and pursuant to provisions of Chapter 109 of the Acts of 2014, I am requesting your approval of the appointment of Mr. David Condon as Harbormaster for the City of New Bedford.

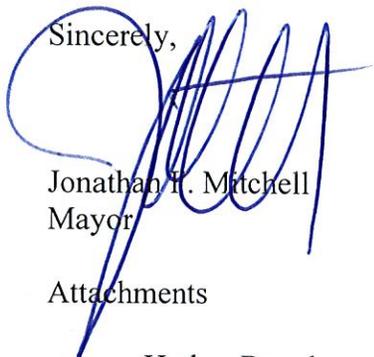

I am also requesting a **6 month waiver of residency** to allow time for Mr. Condon to relocate to the City in compliance with the residency requirement for the position.

Given the approaching summer boating season and the increase in harbor activity, I am respectfully requesting that the Council expedite its consideration of this request. Having a harbormaster on duty during this critical period will go a long way towards ensuring the continued positive momentum of our port.

Mr. Condon will be present at the Council's May 14th meeting, along with representatives of the Harbor Development Commission, to answer any questions you may have.

Thank you for your consideration.

Sincerely,

Jonathan F. Mitchell
Mayor
