2. Review Applicability (Check All That Apply to Your Proposal)

- [ ] Residential
- [ ] Commercial
- [ ] Industrial
- [ ] Mixed (Check all categories that apply)

- [ ] New Construction
- [ ] Expansion of Existing
- [ ] Conversion
- [ ] Rehabilitation

Scale
- [ ] < 2,000 gross sq feet
- [ ] > 2,000 gross sq feet
- [ ] 3 or more new residential units
- [ ] 1 or more new units in existing res. multi-unit
- [ ] Drive Thru Proposed
- [ ] Ground Sign Proposed
- [ ] Residential Driveway With > 1 curbcut

3. Zoning Classifications

- Present Use of Premises: Vacant (Lots 117 & 447) / Single Family (Lots 247 & 248)
- Proposed Use of Premises: Cumberland Farms (Retail & Gas Station) w/ detached Car Wash
- Zoning Relief Previously Granted (Variances, Special Permits, with Dates Granted):

4. Briefly Describe the Proposed Project:

The applicant seeks to demolish two existing single family residential structures, and construct a Cumberland Farms convenience store w/ a detached car wash building. In addition to the proposed structures, underground fuel storage tanks and an associated pump farm will be located on site. Lastly, associated grading and stormwater management practices will be implemented via an underground drainage & pipe system. On site parking is also provided.

QUITCLAIM DEED

BROOKE A. ASHLEY, formerly known as Brooke A. Burgess, of 4208 Acushnet Avenue, New Bedford, Massachusetts 02745

for consideration paid, and in full consideration of One Dollar ($1.00)

grant to KEVIN BURGESS, of 2904 Acushnet Avenue, New Bedford, Massachusetts 02745,

with QUITCLAIM COVENANTS

the land, with any building(s) thereon, located in New Bedford, Bristol County, Massachusetts, more particularly bounded and described as follows:

BEGINNING at northwest corner thereof at a point in the easterly line of Acushnet Avenue and at the southwest corner of Parcel A as shown on a plan of land hereinafter mentioned;

Thence NORTH 89° 09' 00" EAST by last named parcel one hundred seventeen and 55/100 (117.55) feet to land now or formerly of Alfred Thomas;

Thence SOUTH 14° 06' 00" EAST by last named land eighty-two and 78/100 (82.78) feet to Parcel C on said plan;

Thence SOUTH 89° 09' 00" WEST by last named parcel one hundred forty-seven and 52/100 (147.52) feet to said easterly line of Acushnet Avenue;

Thence NORTHERLY and EASTERNLY in said easterly line of Acushnet Avenue in an arc of a circle having a radius of four hundred (400) feet, a distance of thirty-two and 02/100 (32.02) feet to a point; and

Thence NORTH 6° 53' 00" EAST still in said easterly line of Acushnet Avenue forty-eight and 92/100 (48.92) feet to said Parcel A and the point of beginning.

CONTAINING 10,663 square feet, more or less, and being Parcel B on plan entitled "Subdivision of Land in New Bedford, Massachusetts Belonging to Odile Chapdelaine, Scale 1" = 40", November 10, 1975, and recorded at the Bristol County (S.D.) Registry of Deeds in Plan Book 96, Page 23.

Also note that part of a barn presently located on said premises and shown on the aforesaid plan is subject to an agreement between George Ernest Chapdelaine and Robert Raymond Chapdelaine such that said barn is considered personally. A copy of said agreement is on file with the Board of Appeals for the City of New Bedford.

Property Address: 2904 Acushnet Avenue, New Bedford, Massachusetts 02745

The grantor herein hereby releases any and all homestead rights that she may have in the above-described property.
Quitclaim Deed

I, Robert Raymond Chapdelaine, of 532 Faunce Corner Rd., Dartmouth, Massachusetts 02747

in consideration of One Hundred Eighty-Five Thousand and 00/100 Dollars ($185,000.00)

grant to Neil A. Meunier and Erica S. Meunier, Husband and Wife, as tenants by the entirety, of 2914 Acushnet Avenue, New Bedford, Massachusetts 02745

with QUITCLAIM COVENANTS

the land in said New Bedford, Bristol County, Massachusetts, bounded and described as follows:

BEGINNING at the southwest corner thereof at a point in the easterly line of Acushnet Avenue and the northwest corner of Parcel B as shown on plan of land heretofore mentioned;

thence North 6 degrees 53' 00" EAST in said easterly line of Acushnet Avenue eighty-one (81) feet to a drill hole;

thence North 89 degrees 09' 00" EAST eighty-seven and 78/100 (87.78) feet to a drill hole and land now or formerly of Alfred Thomas;

thence South 14 degrees 06' 00" EAST by last named land eighty-two and 46/100 (82.46) feet to said Parcel B; and

thence South 89 degrees 09' 00" WEST by last named parcel one hundred seventeen and 55/100 (117.55) feet to said easterly line of Acushnet Avenue and the point of beginning.

Containing 8,241 square feet, more or less, and being Parcel A on plan entitled "Subdivision of Land in New Bedford, Massachusetts belonging to Odelle Chapdelaine, Scale 1" 40', November 10, 1975 and recorded with Bristol County (S.D.) Registry of Deeds in Plan Book 96, Page 23.

Also note that part of the barn presently located on said premises and shown on the aforesaid plan is subject to an agreement between the grantee herein and George Ernest Chapdelaine such that said barn is considered personalty. A copy of said agreement is on file with the Board of Appeals for the City of New Bedford.

Being the same premises conveyed to the grantor by deed dated February 13, 1976 and recorded with the Bristol South Registry of Deeds at Book 1714 Page 303.

Property Address: 2914 Acushnet Avenue, New Bedford, Massachusetts 02745

Development Impact Statement

Cumberland Farms Inc.
2904 and 2914 Acushnet Avenue, New Bedford, MA
Assessors Map 130D, Lots 117, 247, 248 and 447

I. Physical Environment (Section 5351)

Currently, the site which is shown on the ALTA/NSPS Land Title Survey CFG02.0 is approximately 98,041 sq. ft. +/- being Lot 28 and Parcel D-1 on an approved Form A plan. The site is currently improved with two single family residential dwellings, a U-shaped parking lot with a barn and subsurface drainage system. There is no unusual topography, geologic archaeologic or scenic features. The City of New Bedford City Council voted unanimously to allow the demolition of the two single family structures and barn. The barn, given its age, is a historic structure, but given its location, it is not a significant historic structure and thus was allowed to be razed. There are no wetlands on the locus and no significant vegetation, trails or open space. There is a stone wall which runs in essentially a north-south direction bisecting the rear portion of the lot.

The project will result in the demolition of the two homes and barn. The project will also require the relocation of curb cuts in order to minimize interference with existing traffic conditions. The proposed project will contain a Cumberland Farms convenience store (5,275 sq. ft.) and an outdoor seating area, with associated parking (50 parking spaces), a five island fuel dispensing area and a 2,640 sq. ft. car wash with associated stacking queue and parking. In addition to the foregoing, there will be various landscaping amenities proposed and signage.

The proposed development is in the mixed use business district and is appropriate for that district as are the surrounding businesses. There are no proposed alterations of any marshes or seasonal wet areas. There are no limitations on the project due to soil conditions or water conditions. As mentioned before, the land area is approximately two and a quarter acres upon which there will be a 5,275 sq. ft. Cumberland Farms convenience store, and a 2,640 sq. ft. car wash. There will be 50 parking
spaces provided where the zoning regulations require 34. The lot area is significantly greater than the
minimum lot area required by zoning (98,044 sq. ft. vs. 15,000 sq. ft.). Zoning doesn’t require a
minimum frontage in this district, however, the project will have 414.05 feet of frontage. The building
height will be 32.85 feet at its height and the zoning district allows seven stories or 100 feet. The
maximum lot coverage required is 70% and this project will meet that requirement. No front yard
setback is required in the district. This project will provide 35.1 feet of front yard setback. Zoning
requires 10 feet of side yard and rear yard setback. This project will provide 28.7 feet of side yard
setback and 49.7 feet of rear yard setback.

Ground and surface water will be protected using a cultec subsurface recharge system, with
inspection port, a level spreader, catch basins, and water quality infiltration systems. The construction
plan calls for erosion control measures as shown on the erosion control plan (CFG06.0) to protect during
construction. There will be permanent infiltration basin installed which will not be used for construction
sediment control. This will protect adjacent off-site properties. There will be during construction staked
wattles and silt fencing as well as a construction entrance pad.

The landscaped areas on the property are minimal given the size of the lot. The impact upon
ground and surface water quality and recharge related to phosphate and nitrogen loading are negligible.
Public water and sewer is available.

Must of the landscaping will include shrubs such as Leyland cypress, pyramidal white pine, white
dogwood, nikko blue hydrangea, inkberry, Japanese Illac. The majority of the landscaping will be on the
east and west portions of the lot. Please refer to the site landscape plan (CFG08.0).

The car wash will have an oil water separator. A 1,500 grease trap will service the convenience
store. In addition, there are sanitary sewer manholes, catch basins, drain manholes, Contech CDS water
quality unit, a water trench, the aforesaid Cultec Recharger, V8 HD heavy duty; and various inspection
ports.
II. Circulation Systems (Section 5353)

It is estimated that the convenience store/fueling island will generate approximately 280 “trips” per peak weekday morning hour. That is 140 trip into the site, and 140 out. Meanwhile, the car wash will generate 46 trips, 23 in and 23 out. These trips will be on and from Acushnet Avenue (Route 18). Not all of the trips are new generated trips. Most of them are pass by trips. Reference is made to the McMahon & Associates traffic study which is appended to the application.

III. Support Systems (Section 5354)

Water for this site will be municipal water. They do not anticipate utilization of private wells nor is it anticipated that there will be any problem providing water for firefighting. Sewerage disposal is by way of public sewer. Refuse disposal will be by private contractor with dumpster storage onsite. It is not anticipated that hazardous materials will be onsite.

The fire protection system onsite is robust, from dispenser island foam to hand operated fire extinguishers. These canopy area fire prevention mechanisms are designed to fully contain and extinguish any fires which may occur on or about the fuel islands. The convenience store facility will meet Commonwealth of Massachusetts building and City of New Bedford building codes for fire suppressant. So too will the car wash structure. Fire hydrants to which the City of New Bedford Fire Department can connect are within seventy-five feet of the locus.

There will be no recreational facilities, public or private, provided onsite. There will be outdoor seating for consumption of purchased foods onsite. That small area is located on the south side of the convenience store building and will be fenced in and accessible through the convenience store.

As this is a retail facility, it will have no impact on the population of nursery, elementary, junior high or high school students.

IV. Phasing (Section 5355)

The site development will not be phased. It will take far less than one year to complete.
