SITE PLAN REVIEW APPLICATION INSTRUCTIONS

1. Prior to submitting an application, it is advised that applicants meet with Planning Division Staff to address technical issues, to identify potential concerns and to review information necessary for submittal (including whether a Development Impact Statement or additional studies/reports will be required). Please call (508)979-1488 to schedule a pre-submittal meeting. The applicant may meet with Planning Staff as many times as necessary. Depending on the complexity of a proposal, attendees from additional departments may be invited to attend.

2. Planning Board meeting dates and the corresponding application submittal deadlines are listed on the City of New Bedford website. When possible, the Division prefers that applications requiring multiple Board approvals be reviewed concurrently; please contact Planning Staff for consultation on optimal concurrent review scheduling.

3. A Certified Abutters List must also accompany this application. In advance of submitting an application, an Abutters List must be requested from the Planning Division (Room 303) in person or by fax or email. This request is made by submittal of an Abutters List Request Form, available on the City of New Bedford website or in the Planning Division office (City Hall, Room 303). Once you receive an Abutters List from Planning Staff, you must take it to the Assessor’s Office (City Hall, Room 109) to be certified. Once certified, the list may be included in the submittal.

4. All applications must be filled out completely and be submitted with all required materials, as detailed in the Site Plan Review Application Checklist. Incomplete or improperly filed applications will be returned to the applicant for resubmission. Documentation of Deeds, Certificate of Title, Recorded Plans, etc. must also be included in your application. Following a verification of application completeness by Planning Staff (City Hall, Room 303), bring the completed application packets to the City Clerk (City Hall, Room 118), with the required Filing Fee.

5. Unless otherwise noted or determined by Planning Staff to not be required, all information listed in the Site Plan Review Application Checklist must be included in the submittal package for your application. For an application to be accepted, each and every item is required at the time of application submittal.

In certain instances, plans, or portions of plans, may be waived when not applicable for the review of a particular type of development, at the discretion of the City Planner. Requests for any such waiver(s) must be submitted, in writing, to Planning Division for consideration prior to application submittal.

6. A Site Plan Review Application Checklist (and accompanying materials) must be submitted for review and verification by Planning Staff prior to application submittal. As copies of a completed Checklist are required for a complete submittal, the applicant must allow sufficient time for review prior to the
application submittal deadline. The submittal of DRAFT Checklists and materials via email to Planning Staff is highly encouraged well-in-advance of submittal.

7. A non-refundable filing fee is required when submitting the application, payable by check to the City of New Bedford. The fee covers the cost of processing the decision, including legal advertisement.

8. Once a complete application is received, Planning Staff will draft an Abutters Notification Letter for the subject case and provide it to the Applicant for their use to perform the required legal notice to Abutters.

9. The Planning Board will hear all applications within sixty-five days of the application filing date.

10. All applications must be filled out completely and be submitted with all required materials, as detailed in the Site Plan Review Application Checklist. Incomplete or improperly filed applications will be returned to the applicant for resubmission. Documentation of Deeds, Certificate of Title, Recorded Plans, etc. must also be included in your application. Following a verification of application completeness by Planning Staff (City Hall, Room 303), bring the completed application packets to the City Clerk, with the required Filing Fee.

11. The Applicant or an appointed representative must attend the public hearing.

12. Applicants may appeal the determination of the Planning Board to the Massachusetts Superior Court.

13. If your petition is granted, and after the official decision is recorded with the City Clerk, there is a twenty (20) day waiting period after which time you may proceed and obtain a building permit if an appeal has not been filed. (The 20 day appeal period commences from the date of the decision's filing with City Clerk, not the date of the decision) And that the project be set forth according to plans submitted with the application and that it be recorded at the Registry of Deeds and a Building Permit be issued by the Department of Inspectional Services and acted upon within one year.
