Re: the Property of : 67-68 Brigham Street

PETITION pertains to - operate treatment business as plans filed. Which will require a special permit under Chapter 9 Comprehensive Zoning Section 2400 (non-conforming using and structures, 2410(applicability) , 2420-2422 (non-confirming uses), 2430-2432 (non -conforming structures, other than single tow family structures), and 5300- 5330 & 5360-5390 (special permits)

I am writing today to advise that I am opposing of the proposed request to allow for a DRUG rehabilitation center in my neighborhood.

We have a great neighborhood and if this type of facility is brought to our neighborhood it will cause more violence, police details, and decrease of the property value of the homes.

I any further information is required from me. We can be reached at: 508 525 9005
