

# CITY OF NEW BEDFORD

## PUBLIC INFORMATION MEETING

### Long Term CSO Control and Integrated Capital Improvements Plan

Posted – Monday October 17, 2016

#### LOCATION

City of New Bedford  
Main Public Library  
Third Floor Meeting Room  
613 Pleasant Street

#### DATE/TIME

October 27, 2016  
6:00 PM – 7:00 PM

#### PURPOSE

The purpose of this meeting is to provide the public with an overview of the issues and planning process used to develop recommended sewer and drain system improvements. Projects and associated benefits will be discussed with the opportunity to provide comment. If you need additional information, require special accommodations to participate in the meeting, or if you need meeting material in accessible format, please contact Zeb Arruda or Manuel Silva at New Bedford DPI at 508-979-1550 by Tuesday, October 25, 2016.
