Proposer: _____

Date: _____

The proposal pricing is to cover all work required for this project as outlined in the RFP document. Proposal prices must be all-inclusive, including all fees, charges, expenses, travel, postage, fax and telephone charges, preparation of reports, meeting attendance, etc., for all work proposed to be performed by the successful proposer. No separate fees will be paid for mileage, postage, telephone, reports, presentations, etc. This contract will be in effect, in response to this RFP.

CONTRACT AWARD

One contract will be awarded to the one responsive and responsible proposer whom the City determines offers the most advantageous proposal, taking into consideration all evaluation criteria set forth in the RFP, as well as price.
