ADDENDUM #3

The City of New Bedford issues the following Addendum #3 for

RFP #16650125  
Professional Design Services Community Wide Off Leash Dog Park  
August 27, 2015

This addendum is issued to provide bidders with Questions and Answers for the above named RFP

Q1: Does the City have a property survey and topographical survey of the properties or should we include this in our proposal.

A1: For this purpose the six properties are considered a single property – Topographical survey attached to this addendum as attachment A

Q2. You requested that the firm that is hired by the city develop documents to the 25% level in terms of construction documents. Who will be developing the construction documents, specifications and overseeing construction?

A2: See revised Price Sheet – Attachment A. Actual construction will be done by City.

Q3. We've worked with Stanton Foundation grants in the past and we're under the impression that swipe cards associated with fees cannot be used. Has this changed recently?

A3: Whereas the Department of Public Infrastructure will be performing the construction it has been determined that the City will be moving ahead with the plans for a swipe card system.

Q4: What is the construction budget?

A4: Construction budget is established at approximately \$240K
