## **Citywide Snow Emergency Parking Ban Effective Midnight Tonight, Sunday, Feb. 1, 2015**

In preparation for the approaching winter storm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at midnight tonight, Sunday, February 1, 2015. The parking ban will be strictly enforced and will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to allow public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is permitted on the side of the street that is opposite the fire hydrants. No vehicle should be parked on the same side of the street as a fire hydrant, except on streets that are regularly posted for parking on one side of the street only. In posted areas, residents are to obey the signs as usual.

The citywide parking ban will be double-sided in both the Acushnet Avenue Business District and the Downtown Business District. Downtown parking is available at no charge in the Elm Street and the Zeiterion Parking Garages.
