

SECTION V. DEMOLITION

GENERAL

No person shall demolish any structure or exterior architectural feature in the District until he/she has been granted a Demolition Permit from the New Bedford City Council. Request for demolition of any identified architecturally significant structure will not be allowed unless it is determined by the City of New Bedford to be a risk to public safety. All requests for demolition within the District are reviewable by the Commission. The New Bedford Historical Commission can deny a demolition entirely and permanently in the local historic district.
