Summer Reading sign up begins at 2:30PM
Join us for an exciting Summer Reading kick off event with a visit from NASA Astronaut Captain Stephen G. Bowen. Explore “A Universe of Stories” through the eyes of Captain Bowen and hear about his time aboard the International Space Station.
This event is completely FREE and open to the public.

**Here’s a little bit about Captain Bowen**
Stephen G. Bowen (Captain, U.S. Navy) was the first submarine officer to be selected as an astronaut by NASA. Bowen is a veteran of STS-126, STS-132 and STS-133. The STS-126 mission was the 27th International Space Station (ISS) assembly mission. The crew delivered equipment and supplies as well as expanded the living quarters to house six-member crews aboard ISS. STS-132 delivered an Integrated Cargo Carrier and a Russian Mini Research Module. STS 133 delivered the Permanent Multipurpose Module and the fourth Express Logistics Carrier (ELC) to the station. He has logged more than 40 days in space including 47 hours and 18 minutes in seven spacewalks. (Courtesy of nasa.gov) Captain Stephen G. Bowen is also the first American to fly on back-to-back space missions.
